For man is man and  
master of his fate.

A collection of Apple products is arranged on a dark wooden desk. In the background, a silver laptop is partially visible. In the foreground, a silver keyboard and a white mouse are positioned. To the left, a silver tablet displays a detailed map of a city. Overlaid on the center of the image is the word "THANKS!" in a large, white, sans-serif font, with a teal-colored shadow or outline effect.

# THANKS!
